Reasons for Allowance/Examiner's Comments

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, with reference to independent claim 1, none of the prior art either alone or in combination disclose or teach of the claimed subsystem for producing a dye base body specifically including, as the distinguishing features in combination with the other limitations, the claimed printing means by use of sublimatable dye contained therein to print a predetermined shape with the dye on a printing base body in accordance with the selected color data to produce a dye base body and with the dye base body used for dyeing a spectacle lens.

Examiner's Comments

Gao et al and Doshi are being cited herein to show eyewear selection systems and lens dyeing systems having some similar structure to that of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
